ABOUT ME

Current Bachelor of Science student with an interest in human health with a proven track record of reliability and performance in high-pressure, fast-paced environments. My analytical STEM background combined with strong interpersonal skills allow me to balance technical efficiency with empathy and clear communication. I am committed to applying my experience in coordination and service to a professional team.

EXPERIENCE

Lung and Sleep Victoria (LASV) - *Medical Receptionist*

JAN 2026 - PRESENT

- Provided a professional and hospital environment for patients
- Handled patient bookings and appointment scheduling
- Helped manage the administrative tasks - managing email, stocking supplies, processing sensitive paperwork

Private - *Foundational Literacy Tutor*

MAR 2024 - JUL 2025

- Taught phonetics and pronunciation, helping students break down words
- Helped students overcome learning frustrations by breaking down tasks into small achievable wins to build confidence and resilience
- Maintained student engagement and motivation through positive reinforcement and adaptive communication

AMHAEC - *Cofounder*

JUL 2021 - AUG 2025

- Identified a lack of support for youth mental health and created a national advocacy platform using written expression to give young people a voice
- Secured backing from national bodies (Beyond Blue, GROW, WA Mental Health Commission, Australian Association of Psychologists Inc)
- Over 100 submissions in the last 4 years

Epworth Hospital - *Surgical Work Experience*

JUN 2024

- Observed bariatric surgeon Mr. Ian Michell in theatre and clinical consultations
- Shadowed a range of keyhole procedures including gastric sleeve and bypass surgeries
- Developed an understanding of the high-level coordination required between surgeons, anaesthetists and nursing staff to maintain patient safety in high-pressure environments

AAC - *Cadet Corporal*

JAN 2022 - DEC 2025

- Operated and maintained radio networks, ensuring clear communication between all members during active field exercises
- Managed comprehensive administrative and record-keeping logs to ensure all personnel and equipment accounted for at all times

Volunteering/Leadership

Contributed to disaster relief, food rescue, fundraising and community support initiatives across multiple organisations

- Rotary International (Sponsorship Officer)
- Salvation Army (Student Volunteer)
- Lord Mayor's Charitable Foundation (Project Leader)
- FoodFilled (Community Volunteer)
- FORaMEAL (Student Volunteer)
